

Oil Spill Science Solution

Environment Friendly Solutions

Marine Oil Pollution Solutions

- **Offshore Spill response equipment.**
- **Shoreline & Inland Spill response products.**
- **Air, Sea & Land Dispersant spraying systems.**
- **Remote control floating oil separators.**

Industrial Water Treatment Solutions

- **Oil skimmers.**
- **Oily water separators.**
- **Fank cleaning equipment.**
- **Oil solidifiers.**
- **Nano membrane Zero-Oil separation.**
- **Nano membrane micro plastic separation.**

Marine & Salvage Solutions

- **Salvage and Underwater tools**
- **Underwater cavitation cleaning technology.**

Waterway Safety & Security Solutions

- **Port Security & Waterway Safety barriers.**
- **Hydro engineering design & Consultancy Services.**

Marine Debris & Micro Plastic Solutions

- **Debris & Nurdles containment & Recovery.**
- **Flood barriers.**
- **Bubble curtains technology.**
- **Autonomous marine debris cleaners.**
- **Robotic beach cleaners.**
- **Nano membrane technology.**

Coastal & Civil Facilities Protection Solutions

- **Coastal erosion protection.**
- **Rivers and water ways.**
- **Roads, bridges, rails.**
- **Equipment sales & rental.**
- **Emergency oil spill clean-up & support services.**
- **Oil spill response training, consultancy, contingency.**
- **TTX & GDX planning.**
