

Oil Spill Science Solution Environment Friendly Solutions

Shoreline Spill Response Solutions

- Oil spill detectors.
- Shoreline spill response equipment & cleanup services.
- Shoreline cleaning robots.
- In-situ oily water separators.
- Non leaching, Oil – only absorbents.
- Oil absorbents & spill kits.
- Portable pump, pressure washers.
- In-situ Oil & sludge treatment.
- PE Rigid Hull & Aluminum work boats.

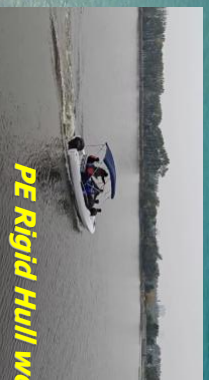

ROW Non-Contact UV
oil sheen detectors

OZ-SEPA nano membrane fabric
In-situ oil- Zero separator

Aluminum work boat

PE Rigid Hull work boats

Neoprene rubber solid
foam Mooring Booms

Portable oily water separators

Self adjustable weir skimmers

Remote control in-situ oil skimmer
Floating Oil-Water-Separator
